

Planning Grant Informational Session Attendees

through Wednesday, January 30, 2019

This list of individuals and organizations below are those that were present at the January 16th Informational Session. As part of the Committee’s effort to help facilitate the spirit of collaboration that is critical to the Community Benefits process, these names, organizations, and contact information have been made public. These individuals have also self-identified which of the Top Tier Needs* their respective organizations specialize or provided services in. If you would like to have your name, organization, and contact information added or removed, please contact Wendell Joseph at communitybenefits@cambridgema.gov.
